EX-PARTE QUAYLE ACTION

1. This application is in condition for allowance except for the following formal matters:
2. Claim 1 is hereby allowable. The restriction requirement between inventions, as set forth in the Office action mailed on July 24, 2008, has been reconsidered in view of the allowability of claims to the elected invention pursuant to MPEP § 821.04(a). **The restriction requirement is hereby withdrawn as to any claim that requires all the limitations of an allowable claim.** Claims 2-5, 8, and 13-14 are no longer withdrawn from consideration because the claim(s) requires all the limitations of an allowable claim.

In view of the above noted withdrawal of the restriction requirement, applicant is advised that if any claim presented in a continuation or divisional application is anticipated by, or includes all the limitations of, a claim that is allowable in the present application, such claim may be subject to provisional statutory and/or nonstatutory double patenting rejections over the claims of the instant application.

Once a restriction requirement is withdrawn, the provisions of 35 U.S.C. 121 are no longer applicable. See *In re Ziegler*, 443 F.2d 1211, 1215, 170 USPQ 129, 131-32 (CCPA 1971). See also MPEP § 804.01.

Claim Objections

3. Claims 1-14 are objected to because of the following informalities:

With respect to claim 1, the term “the label” in lines 16-17 has no proper antecedent basis since no label was previously recited.

With respect to claim 2, this claim appears to be a double recitation of language in claim 1.

With respect to claim 5, it is suggested that the term “a graduated circle” in line 3 be deleted and replaced with --the graduated circle-- since the graduated circle was previously recited in claim 4.

Appropriate correction and/or clarification is required.

Conclusion

4. Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 25 USPQ 74, 453 O.G. 213, (Comm’r Pat. 1935).

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
